RETAIL PARTNERSHIPS

To be a retail partner you just need to be willing to help us spread the word about our efforts and events. This could include hanging a flyer or sharing a post we provide on your social media.

If you would like to offer a discount or donate a % of proceeds, we would be happy to discuss that as well. We share these offers with our volunteers during membership meetings and on our portal.

SPONSORSHIPS

A sponsorship supports our member-volunteers in fulfilling the JLB's mission and vision within the five communities that we serve. The JLB was founded in 1948 and with your help we can continue our League's legacy for years to come.

There are two sponsorship tiers. A member of our leadership team can help you select the right fit for your business and finalize the details.
